NAVAL BATTLE. EVERY ARM OF THE BRITISH GOVERNMENT IS CO-
OPERATING TO PREVENT ANOTHER ATTACK. CRUISERS ARE PA-
ROLLING, AIRSHIPS WITH POWERFUL SEARCHLIGHTS CIRCLE
OVER THE COAST, AND A SHARP LOOKOUT FROM LAND IS KEPT.

BERLIN, DEC. 17 (Via wireless).—IT IS OFFICIALLY STATED THAT

NAVAL ENGAGEMENT FOLLOWING THE GERMAN BOMBARDMENT
OF ENGLISH COAST TOWNS. ALL OF THE GERMANS ESCAPED UN-

EVERYTHING READY FOR ELKS' BIG SHOW AT NEW DAYTONA

RISE OF CURTAIN AT 8:30 THIS
EVENING WILL REVEAL SENSA-
TIONAL AND BEAUTIFUL PRO-
DUCTION.

Tonight is the big night, and the
Elks minstrel boys are ready and
waiting for the curtain at 8:30, then
they are prepared to give the big
show that will be in waiting a great
entertainment and a real musical treat.

The punch edges were worn off at
the rehearsal last night, and every-
thing is ready for the big noise. The
entertainment, done by O. S. Burnett, will
be a great deal to the beauty of the
show. Scenery by Karl Von Kass,
a complete reproduction of the Elks'
stage, will be another sensation. All
the entire setting, conceived
and planned by W. S. Sneed and E. F.
Sneed, and built under the direction
of Frank Stillman, will be of massive
and substantial nature. A pace will
be set by amateur theatricals that will
lead for future shows to keep up

The advance sale guarantees a
big house. The management guar-
antees a big meritorious show; so all
it promises well to be a very
large evening.

Ref Wright says he feels right.

Friends of Mr. and Mrs. H. Marshall
Gardner will be pleased to know that
Mrs. Gardner has sufficiently recov-
ered to be able to leave the hospital
Wednesday of this week and rejoin
Mr. Gardner and her daughter, Miss
Julia Wagner, at the Palmetto hotel.
Mrs. Gardner was operated on for ap-
pendicitis at Dr. Klock's hospital about
two weeks ago and has made a very
satisfying recovery.

CONGRESS MAN WILSON ILL

Hon. Emmett Wilson, one of Flor-
ida's representatives in the lower
house of congress, has been carried
to a hospital in Washington for treat-
ment. He has been suffering with
rheumatism for some time, and lately
his physicians treated him for some
form of rheumatic heart affection.
While Mr. Wilson's condition is not
such as to cause alarm, the physicians
in attendance thought it best that he
be removed to a quiet hospital where
he can receive expert medical treat-
ment. He is reported to be doing very
well now, and his friends are hopeful
that he will be out again soon.

PUBLIC SCHOOLS OF VOLUSIA WILL CLOSE

TEACHERS AND PUPILS TO EN-
JOY TWO WEEKS' HOLIDAY.
SPECIAL PROGRAMS AT SEV-
ERAL SCHOOLS FRIDAY.

In conformity with an order issued
by the county board of public instruc-
tion at its last meeting in Deland,
December 8th, the public schools of
Daytona and Seabreeze, as well as all
of the others, save one, in Volusia
county, will close Friday afternoon,
December 18th, on account of the
Christmas holidays, and will not re-
open until Monday, the 4th of Janu-
ary. The exception will be the Cen-
tral school at Winona, which opened
late and will end early in the spring;
it will be closed only on the 25th.

At several schools of the county,
including that in this city, there will
be special Christmas exercises Friday
afternoon.

Friends and acquaintances of Chris
Gougherty will be glad to know that
he is sufficiently improved to be down
stairs and is receiving callers. He
has made a remarkably rapid and sat-
isfactory improvement and hopes soon
to be back in his accustomed place in
the Central Grocery company store.

USEFUL GIFTS.

When Making Presents Combine the
Beautiful With the Practical.

That the useful may be beautiful no
one will deny; that the caps illustrat-
ed here are both will also be admitted.
No girl ever has too great a supply of
these fascinating articles of wearing
apparel and on Christmas morning will
be pleased to see one or more among
her list of gifts.

The cap shown at the top of the il-
lustration might be called a "fool's-
cap." It has a long peak which is turn-
ed over upon the cap and fastened to

ner part of the cap is made of net.
Another style not illustrated is to
take a square of dotted net about a
foot across. Trim off the corners; then
to the circle stitch baby blue ribbon
of the narrowest sort so as to form
squares about an inch across. A ruffle
of net bordered with the baby blue rib-
bon completes a pretty and useful boun-
dair cap.

"SAVE-A-BABY" CLUB CARD PARTY WELL ATTENDED

Notwithstanding the inclement weather the "Save-a-Baby" club card party given by Mrs. Celeste Hinks at the Magnolia hotel Wednesday afternoon was quite well attended and resulted in the addition of about \$20 to the fund for the Children's home in Jacksonville. There were nine tables of bridge and "500." Four prizes had been donated to the cause by Daytona merchants. The first prize at "500" was won by Miss Edith Temple and the second by Miss Wood. At bridge the first prize was secured by Miss Small and the second by Mrs. Hallahan.

THE LAST MINUTE GIFT.

Knitting Case, Easily Made, Is an Acceptable Present.

Here are directions for making a knitting case, an easily and quickly made last minute gift that any clever woman can compass without much trouble:

It consists of a square of some sort of muslin to spread over the lap to protect the gown from fuzz and dirt and to protect the knitting from soil. In the middle of the square is a little bag to hold the ball of worsted. When the knitting is not in use the four corners of the square are folded over and either pinned or tied with four ends of ribbon.

To make the case, buy a yard of figured lawn or muslin of some sort twenty-seven inches wide. Square it and from the nine inches left cut a strip about eighteen inches long and nine wide. Turn an inch wide hem and featherstitch it. The material should be reversible, and the hem should be turned over on the side of the material which is up when the square is spread over the lap. From the remaining material, which should measure nine inches square, cut two circles each four and one-half inches in diameter and turn under the edges an eighth of an inch.

Seam the two ends of the long strip together. Make a hem with a casing for a drawstring in one side and gather the other side. Baste one circle in the center of the big square on the wrong side, marking its edge with thread on the right side—that is to say, the side that is upward when the square is spread on the lap. Now arrange the gathered edge of the little bag, with the raw edge in, on the place over the circle and use the second circle to put inside of the bag and cover up the raw edges.

Now featherstitch the circle on the wrong side, taking the stitches carefully through the big square and the gathered edge of the bag and the lining circle. Run ribbons in the casing and take four ends of ribbon to the four corners of the square.

Birds in Panama Canal Zone.

The bird resources of the canal zone evidently are of much importance. Possibly if they are properly conserved they will become one of the valuable assets of the United States. Having permitted so much reckless bird slaughter in this country that insect pests are increasing at an alarming rate it would be well to take care of the birds that have been added to our national possessions by reason of the acquisition of a section of Panama—Louisville *Courier-Journal*.

Havoc of Trichinosis.

The worst epidemic of trichinosis ever known was caused by a butcher of Hadersleben, Saxony, making sausage of an infected pig. The sausages were eaten at a public banquet, 300 people fell ill and 130 died.

WILLIAMS HOTEL HAS BEEN LEASED

MRS. M. A. BROWN, OWNER OF PARK HILL HOTEL AT HENDERSONVILLE, N. C., LEASES DAYTONA HOTEL.

Mrs. M. A. Brown of Hendersonville, N. C., has leased for a term of years the Williams hotel, owned by T. F. Williams of this city, and will operate it the present season.

The Williams is one of the most handsomely furnished and best appointed hotels of Daytona and is centrally located, with outlook upon the beautiful Halifax river.

Mrs. Brown, who has a fine residence property at the corner of Ridgewood and Volusia avenues, is an experienced hotel woman, owning and conducting a large summer hotel, the Park Hill, at Hendersonville, N. C. She has been coming to Daytona for several seasons and had the management of The Williams winter before last. Knowing the house and its capabilities, Mrs. Brown has secured it for a term of years for the purpose of establishing herself in Daytona and will undoubtedly make the hotel one of the most popular hostleries of the city.

LACE HANDKERCHIEFS.

These Are Gifts That Would Be Beautiful and Useful Also.

Next to the gift of a precious stone ranks the gift of a bit of real lace. If you have a friend of whom you are particularly fond and you desire to give her a great deal of pleasure on Christmas morning employ your spare time in the days before Christmas in making her a lace handkerchief.

Almost every girl in this day and age is clever enough with her needle to make beautiful handkerchiefs with the

expenditure of very little money. The ones illustrated here look quite elaborate; the one of rose point really is, but any look on needlework will tell you exactly how to make it with braid and inserts of lace and a few simple lace stitches. The other handkerchief is simply a triple hemstitched square of sheer linen, to which is sewed a straight frill of val lace. Either one of these handkerchiefs would make an acceptable gift.

Daily Christmas Hint

Gifts Which Will Delight the Theater Devotee

Milady never has too many bags. They wear out and soil, and when Christmas time comes she is always glad to find among her Christmas gifts one or two beautiful and useful bags. The ones illustrated here are especially handsome, the lower one being enriched with hand embroidery done with gold thread. The upper one has the up-

per part made of a piece of handsome brocade, the lower part of the bag of plain satin. The woman who wishes to make useful gifts will scramble around in her workbasket and find pieces of silk and bits of brocade. From these odds and ends wonderfully handsome bags can be fashioned.

REGULAR CHRISTMAS EXERCISES TOMORROW

INTERESTING PROGRAM IS ARRANGED—NO ADMISSION WILL BE CHARGED, BUT THERE WILL BE A SILVER OFFERING.

Tomorrow afternoon the regular Christmas exercises by members of the lower grades will be given in the school auditorium. An interesting program has been arranged for the little tots, and it is the hope of those interested in the affair, that a large crowd will attend the exercises. No admission fee will be charged, but as large a contribution to the silver shower of the Mothers' and Teachers' association as you care to give, will be greatly appreciated. The association is trying to raise funds enough to purchase a stereopticon and the necessary slides to help in the teaching of various classes.

VOLUSIA COUNTY MEDICAL SOCIETY

MEETING HELD IN THIS CITY ON
TUESDAY — MEMBERS WERE
GUESTS OF DR. AND MRS. C. C.
BOHANNON.

The Volusia County Medical society, which is a component part of the Florida State Medical and the American Medical associations, met at the residence of Dr. C. C. Bohannon in this city Tuesday afternoon at 3:00 o'clock. The society has over 25 members, about half of whom were in attendance.

An interesting paper on the advance in serums and bacteria was read by Dr. Wood of New Smyrna, followed by a general discussion.

Arrangements were made for the entertainment of the Florida State Medical society in Deland in May, and officers for the coming year were elected as follows:

President, Dr. L. B. Bouchelle, New Smyrna.
Vice-president, Dr. J. E. Rawlings, Daytona.
Secretary and treasurer, Dr. Davis Forster, Hawks Park.

"GIVE HIM SOMETHING USEFUL"

At this time of year the stores are crowded with "things to sell." Thousands of ingenious minds have schemed for months to provide countless articles—most of them really valueless—to "get the money." Millions of people are buying gifts—it's always hard to know what to buy—and the result is that enormous sums are wasted every Christmas on worthless "presents." Why not make up your mind to give only useful things this year? You'll find these in great variety at our store—in fact, you'll find only useful gifts, sensible and desirable things that every man and boy wants, and will be pleased to get.

Suits, Overcoats, Hats, Shoes, Raincoats, Pajamas, Silk Mufflers, Silk Sox, Slippers, Umbrellas, Sweaters, Bath Robes, Gloves, Mackinaws, Smoking Jackets, Sox and Neckties.

Delegate to state society, Dr. H. K. DuBois of Port Orange.

Dr. Lawrence Ingraham of Deland was elected to membership and Dr. F. J. Walter of this city was selected to read a paper at the next meeting when the members of the society will be the guests of Dr. John MacDiarmid of Deland at the College Arms hotel in that city.

Dr. and Mrs. Bohannon entertained the members and their wives at dinner at 5:30 o'clock. Following the several courses served, there was music by Mrs. Bohannon and Mrs. Chowning.

To be a member of the American Medical association it is necessary to be a member of the county society of the state in which a regular licensed physician in good standing lives. The American Medical association is the largest organization of its kind in the world, having over 50,000 members.

The following physicians attended the meeting Tuesday:

Dr. John MacDiarmid, Deland.
Dr. Wm. R. Stephens, Deland.
Dr. Wm. C. Chowning, New Smyrna.
Dr. L. B. Bouchelle, New Smyrna.
Dr. Woods, New Smyrna.
Dr. Davis Forster, Hawks Park.
Dr. Lawrence Ingraham, Deland.

Dr. M. Josie Rogers, Daytona.
Dr. Roy Howe, Daytona.
Dr. Jas. E. Rawlings, Daytona.
Dr. C. C. Bohannon, Daytona.
Dr. Fred K. J. Walter, Daytona.

Triumph of Mutes.

It was but the other day when the triumph of the deaf and dumb faced me. It was a ship just starting from Southampton to Canada. You know the unheard shouts during the last hour from the shore. There were two men, deaf and dumb, talking quietly with their fingers to the brother on board, who could reply. They were the only three that could talk freely among the unheard tumult.—London Chronicle.

True to Type.

The Customer—"These grand opera phonograph records are no good. I can't get anything out of half of them." The Salesman—"They are our finest achievement. You can never tell when these records will sing. They're so temperamental."—London Opinion.

After His Own Heart.

Museum Attendant—"The bill of this pre-historic bird had thousands upon thousands of little holes all over it. Congressman (enthusiastically)—Magnificent! What an ideal one to introduce in congress!—Judge.

YACHT CLUB NEWS.

The "Dohema, Jr.," of New York docked here Wednesday afternoon and remained over night. Aboard were Edward Binney, owner, of the Riverside (Conn.) Yacht club, and Captain Farris. The "Dohema, Jr.," left on Thursday morning for Fort Pierce, where a party of Connecticut gentlemen is expected to meet the yacht. Mr. Binney has property at Fort Pierce, and this is his fifth winter in Florida waters.

Where the Earth Is Thickest.

Scientists have figured that the earth is thickest along an imaginary line drawn from the top of Chimborazo, a mountain in Ecuador, and a point on the coast of Sumatra, where the land is fairly high.

Loss of Water With Age.

The slow but sure loss of water with age has been noted in the tissues of rats and other animals. There is more water in the bodies of young animals than in adults, and the quantity of nitrogen and phosphorus they contain also diminishes with age.

Morning Light Strongest.

The morning light is from ten to thirty per cent stronger than that of the afternoon, varying with the season. The light-transmitting properties of different kinds of glass vary greatly. Thus the loss of light from glass as compared with outdoor light ranges all the way from thirteen to thirty-six per cent or more. The practice of lapping the panes causes an average loss of light of about eleven per cent. The transmission of light naturally increases as the angle of the roof more nearly coincides with a right angle to the sun's rays.

Skeleton Is Proof.

That California was at one time the home of almost every kind of animal has received further proof by the discovery of a skull and other bones of a huge wild boar in Imperial valley. The find was made on a big ranch, where a tractor plow was breaking up the ground for a cotton field. One tusk of the great pig lacks just a fraction of being 19 inches long. The other is broken.

Victory.

The ancients represented Victory as a winged goddess probably because of her little way of flying back and forth between the opposing lines.—Chicago Herald.

THERE HAS NOT BEEN A GOOD SUBDIVISION PUT ON THE MARKET HERE IN RECENT YEARS, BUT WHAT THE PURCHASERS, WHO DESIRED TO SELL, DID SO AT A HANDSOME PROFIT.

AS YOU WELL KNOW, THE INVESTMENT OF A FEW HUNDRED DOLLARS IN LOCAL REAL ESTATE, HAS MADE MANY PEOPLE WELL TO DO.

SIMPLY A CASE OF LOOKING AHEAD. WHO DOES NOT REMEMBER WHEN PROPERTY ON THE BEACH COULD HAVE BEEN BOUGHT FOR A VERY SMALL AMOUNT? LOOK AT IT TODAY.

IF YOU COULD HAVE SEEN AHEAD, WOULD YOU NOT HAVE BOUGHT THEN?

SURELY YOU WOULD HAVE, AND WHY NOT NOW. THINGS HAVE NOT REALLY STARTED TO MOVE. THINGS ARE STILL IN THEIR INFANCY. THE SURFACE HAS ONLY BEEN SCRATCHED. THE BIG THINGS ARE STILL TO COME.

RIGHT NOW IS THE TIME TO GET IN, WHILE THE GETTING IN IS GOOD, AND WE HAVE JUST THE RIGHT THING TO "GET IN" ON.

OCEAN VIEW HEIGHTS LOTS CAN BE BOUGHT FOR \$170.00 EACH. CAR LINE IS BEING EXTENDED THROUGH THE PROPERTY NOW, STREETS ARE BEING CLEARED AND GRADED, HOUSES ARE TO BE BUILT ON SOME OF THE LOTS ALREADY SOLD, AND YOU CAN BUY THE LOTS BY PAYING \$42.50 DOWN AND \$12.75 A MONTH FOR TEN MONTHS.

LOOK AHEAD FIVE YEARS, AFTER THINKING BACK FIVE YEARS, WHAT DO YOU THINK ABOUT IT NOW? BETTER CALL UP 262 RED, RIGHT NOW, AND LET ME CALL ON YOU, WITH A MAP, AND SHOW YOU WHAT YOU POSSIBLY CANNOT SEE YOURSELF.

DAYTONA BEACH.

DAYTONA BEACH, Dec. 16.—Through the efforts of Mayor Shelly and others, the heirs of Silas P. Hubbell have granted the use as a public park of the lot on the northwest corner of Seabreeze avenue and Live Oak street. The town council of Daytona Beach and the chamber of commerce of Seabreeze and Daytona Beach have appropriated a sufficient sum of money to put the lot in very good shape for park purposes. Contractor Petersohn has generously donated three cement urns for the parkage, and F. A. White, the expert florist, has offered to put in the flowers, and see that they are cultivated, not only in the urns but as borders along the parkage and elsewhere. A croquet ground has been laid out and marked, a table with three checker boards provided, and grounds laid out for quail pitching. The parkage has been sown to Italian rye, which will show up well in a few weeks, and a sufficient number of seats will be placed at intervals along the street and throughout the grounds. This is a good move on the part of the town council, and the park will prove a popular resort for visitors and residents.

Mrs. James Neild of Cedar Rapids, Ia., has donated a box of books to the public library, for which the library association extends cordial thanks.

The library tea next week will be held at the home of Mrs. Cora Powell on Grandview avenue.

up higher. Mr. Serl is skilled in the use of words, and sketched his picture with a bold, rapid hand that held the undivided attention of his congregation from beginning to the close of his sermon.

Mr. Serl is an editor and writer of several books, some of which sound attractively woodsey, such as "The Fraternity of Fields" and "In the Swaying Tree Tops." His magazine, "In Adam's Garden," is published six times a year. It is full of earnest thoughts and bright sayings of the author and others. A copy will be sent on application.

A New Beach Cottage —

One of the new homes erected on Seabreeze beach the past summer is that of Mr. and Mrs. T. W. Chamberlin, south of Earl street, C. L. Vining, contractor and builder. The cottage is on the bungalow style, one and one-half story with large basement, eight rooms and plenty of porch room. Mrs. Chamberlin had a hand in the planning, which means that it is more than commonly convenient, with numerous little snuggeries and seats to get pleasant views of the old ocean and with the sage green scrub to the west. Cement walk and flight of cement steps stretch across the west end of the lot from which the scrub has been grubbed and grass and flowers will be planted. Mr. and Mrs. Chamberlin spend their summers at Timberlake, S. D., where Mr. Chamberlin many years ago pre-empted a homestead, and where now they have a thrifty farm with acres of wheat and other grain, fruit orchards and all truck that goes to make up a good living in the north-west. Mrs. Chamberlin is very proud of a half-dozen white Wyandotte pullets that she had expressed to Seabreeze which seem to take very happily to a winter home in the south.

Mr. Chamberlin has barrels of apples and white potatoes, of extra fine flavor and size, which came from the South Dakota farm, stored in his cellar.

Dutton, Pittsfield, Mass., who occupied the Cordis cottage for two seasons past, are booked for the Princess this week.

SEABREEZE.

SEABREEZE, Dec. 16.—The tourist season of 1914-15 in Seabreeze, offers the largest list of attractions in the history of this beautiful gem on the sea, so that the Florida tourists who seek variety in sensation and diversion need go no further for the pleasures of the season in all manner of sport and recreation.

To the baseball enthusiast news that the Brooklyn baseball club will train for the season of 1915 in North Seabreeze through the month of March will be an item of much interest. Ties are being delivered this week at North Seabreeze for a continuation of the street car track to the ball park, the ground for which is being laid out for proper grubbing and marking. The park is located 1800 feet north of the Nautilus casino, opposite which, on the beach, a large bazaar, 40 x 80 feet, has just been completed, where Ruth Law, the successful aviatrix, will conduct an aviation school, and also make exhibition flights during the season. The improvements at the Nautilus this season include swimming pools, salt and fresh water, and all the necessary accessories in the way of rest rooms, etc. Also Turkish baths are being fitted up on the ground floor of the casino.

President E. L. Potter and the Clarendon hotel company have spent up to the thousands of dollars in the erection of a handsome residence, the remodeling of the Potter winter home, the rebuilding in fire-proof material of the hotel laundry and garage.

Henry W. Haynes, the well known and popular young hotel proprietor and manager of the Princess Isseena, who last year made an addition to the hotel which doubled its capacity, has this season just completed a west

wing. Many sleeping rooms were added with private baths, and a beautiful ball room was included in the season improvements. This hotel, which opened the latter part of November, has already many guests, and from the heavy bookings for both these hotels, which is larger than at any previous season at this time of year, the hotel season is an assured success.

Seabreeze is also well supplied with smaller hotels and numerous boarding houses which rank with the best in this vicinity of good hotels and boarding houses. Seabreeze will undoubtedly be the playground of hundreds of tourists this season.

At the Tourist Church —

Rev. Elmer Willis Serl, the new minister, who arrived the latter part of last week from Carthage, Mo., preached at the Tourist church Sunday morning at the 11:00 service. The bible lesson was from the parable of the talents, the speaker taking for his central idea was that the dedication of all our talents to the highest and best that is within us is happiness and success, though not as the world counts it; that the unfaithful servant was condemned for non-use, not for the misuse, of funds, and that it was the doer of the word that was called
